PROGRESSION FROM UTP STAGE I TO UTP STAGE II

The UTP Stage I program is designed to adequately prepare you for entry to university level programs. Students are required to successfully complete eight (8) courses during the UTP Stage I program with a minimum standing as specified below. Under normal circumstances, no course may be repeated more than once, but special permission for an addition course repeat may be approved by the Academic Manager. Students are required to maintain full-time status during their program of study by enrolling in four (4) UTP Stage I courses OR Academic English and a maximum of two (2) UTP Stage I courses.

Students who have up to two courses remaining to complete UTP Stage I may enrol in up to 2 UTP Stage II courses providing they are in good academic standing.

UTP Stage I Program (ICM)	Minimum Entry Requirement from UTP Stage I
Arts	60% average (C average)
Business	65% average (C+ average)
Engineering	75% average* (B+ average)
Science	60% average (C average)

*Students need a minimum of 70% in each of CHM100, PHY100 and MTH101 or MTH103 and a 75% average in these 3 subjects. Refer to the Student Academic Handbook for more information about transfer requirements to UTP Stage II Engineering.

UTP Stage I courses have no credit hour value and do not transfer to university programs; grades from these courses are not included in university grade point average calculations.

70% JUMP RULE

Students may be eligible to "JUMP" to UTP Stage II if **in a single term** they successfully complete four UTP Stage I classes with a minimum 70% in each course. See Student Academic Handbook for details.
