U OF M

YOUR FUTURE STARTS HERE

- The University of Manitoba (U of M), Western Canada's first university, is ranked within the top 400 universities in the world by *Times Higher Education*.
- The University of Manitoba is the region's most research intensive university and is part of Canada's U15 group of leading research universities.
- Manitoba offers a Tuition Fee Income Tax Rebate, reimbursing up to 60 percent of all your eligible tuition fees after you graduate (refer to page 33 for more information).

Students commonly gather in the atrium of the University Centre building to share stories, study, eat and shop. The University Centre is the main hub of student activity.

LOCATION

HEART OF CANADA

Winnipeg, Manitoba

VANCOUVER

MONTREAL

NEW YORK

TORONTO

CHICAGO

Canada is internationally recognized for its natural attractions, world-class cities, safe environments, and high standard of living.

YOUR LIFE IN WINNIPEG

Winnipeg, which means 'muddy waters' in Cree, is the capital city of Manitoba.

Home to 782,000 people, it is the eighth largest city in Canada. Its location near the geographic centre of North America means Winnipeg plays a prominent role in transportation, finance, manufacturing, agriculture and education. Its location also makes Winnipeg an ideal base for discovering all that Canada has to offer.

Winnipeg has a continental climate, with average temperatures of 26°C in summer (June to August) and -12°C in winter (November to March). It is one of the sunniest places in Canada, with over 2,300 hours of sunlight annually and up to 16 hours of sunlight daily during the summer months. Winnipeg's skies are among the clearest in Canada, and the city has one of the cleanest water supplies in North America.

As well as being clean, safe and affordable, Winnipeg has all the amenities of a large, cosmopolitan city. It has an ethnically diverse population and a dynamic artistic community, making it a vibrant hub and one of the country's major cultural centres. Best of all, as an ICM student you will enjoy the personal freedom that comes with living in a modern and open-minded community. It is the ideal environment in which to challenge yourself academically and personally.

FAST FACTS

Population	782,000
Currency	Canadian dollar (C\$)
Time zone	Central Standard Time (UTC/GMT -6 hours)
Electricity	110V
Languages	English and French are both official languages in Canada

ENGAGING

CITY OF FESTIVALS

Each year, over 130 days of festivals are celebrated in Winnipeg. Some well known ones include the Winnipeg Folk Festival, Folklorama, Oktoberfest, International and Aboriginal film festivals, Snow Screen, the Fringe Festival, Ballet in the Park, Jazz and New Music festivals and the Icelandic Festival.

ACTIVITIES

Winnipeg offers a wide variety of entertainment, shopping, restaurants and sightseeing. With its abundant green space, clean environment and close proximity to rivers and lakes (of which there are over 100,000 in Manitoba), Winnipeg is an ideal place to pursue a broad range of recreational activities. Camping, hiking, fishing, canoeing, curling, snowshoeing, golf, cross-country skiing, hockey, dancing, martial arts, skating and snow sculpting are just a few of the activities you can enjoy.

ATTRACTIONS

There are plenty of things to see in Winnipeg, including:

- 'The Forks' national historic site, a popular meeting place with great food, markets, artisan stores and antiques
- Winnipeg Art Gallery (affectionately known as WAG), which boasts internationally renowned exhibits, supports local artists and offers fantastic art courses

- the Exchange District, home to an eclectic community, with cafés and unique stores in beautiful converted warehouses
- the MTS Centre, the downtown area's premier entertainment venue, hosts a variety of events and concerts and is home to the Winnipeg Jets of the National Hockey League
- Canadian Museum for Human Rights (CMHR), a national and international destination centre of learning. It is a gathering place for people from around the world to enhance understanding, engage in discussion and to reflect on human rights.

U OF M

LAUNCH YOUR GLOBAL CAREER HERE

The University of Manitoba has thrived for over 138 years as a place where students come to learn and be inspired. The U of M offers more than 100 programs and most academic departments have graduate studies leading to master's or doctoral degrees.

The University of Manitoba is Western Canada's first university. Founded in 1877, the university attracts Canada's best and brightest faculty members and researchers, which means you'll be learning from some of the most accomplished instructors around.

The University of Manitoba offers many challenging programs across the various faculties. There is lots of flexibility and choice, so there is an opportunity to build the degree that suits students perfectly.

MESSAGE FROM THE PRESIDENT AND VICE-CHANCELLOR OF THE UNIVERSITY OF MANITOBA

I would like to welcome International College of Manitoba (ICM) students to Western Canada's oldest university, which celebrated its 138th anniversary in 2015. Since 1877 the University of Manitoba has been at the centre of post-secondary education in our province, and has adhered to its core philosophy that access to the best education must be available to all who have the ability to benefit by it, regardless of sex, race, creed, language or nationality.

The partnership between ICM and the University of Manitoba is designed to offer eligible students a pathway to the University of Manitoba. I hope that when you join the University of Manitoba after you have successfully completed your studies with ICM, you achieve everything that you hoped for when you decided to study abroad.

I wish you every success as you embark on your studies at ICM.

David T. Barnard, Ph.D.
President and Vice-Chancellor
University of Manitoba

U OF M

LIFE AFTER GRADUATION

The University of Manitoba is committed to helping students become successful after graduation. It has produced 98 Rhodes Scholars — the pinnacle of academic achievement — which is the most of any university in Western Canada. In addition, more University of Manitoba alumni lead Fortune 500 companies than any other western Canadian university's alumni.

CO-OPS AND INTERNSHIPS

Once at the U of M, you have the opportunity to apply to a Co-operative Education Program in business, engineering or science. Students in the Co-op program are given the chance to combine classroom knowledge with practical paid work experience to further enhance your skill set and work experience, which will set you apart from others after graduation.

MANITOBA'S RESEARCH-INTENSIVE UNIVERSITY

The University of Manitoba is a part of Canada's 15 research-intensive universities, called the U15. The U15 is a strong voice promoting research incentives within the university sectors.

The U15 fosters world-class achievement through academic study that helps to shape public policy goals in Canada and around the world. The U15 forms industry partnerships, promotes the development of social, cultural, economic and environmental methodology, and helps to advance Canada's influence and effectiveness not only locally, but globally.

→ u15.ca

THE U OF M HAS 40 CANADA RESEARCH CHAIRS, THE COUNTRY'S TOP EXPERTS IN THEIR FIELDS. THE U OF M IS ALSO HOME TO A CANADA EXCELLENCE RESEARCH CHAIR IN ARCTIC GEOMICROBIOLOGY AND CLIMATE CHANGE.

SMARTPARK, THE UNIVERSITY'S RESEARCH AND TECHNOLOGY PARK, CREATES HIGH-TECH CLUSTERS AND FACILITATES UNIVERSITY-INDUSTRY RESEARCH COLLABORATION AND INNOVATION.

IN 2013-14, U OF M RESEARCH RECEIVED \$155.7 MILLION IN FUNDING. AS MANITOBA'S ONLY RESEARCH-INTENSIVE UNIVERSITY, WE CONTRIBUTE TO OUR COMMUNITY'S ONGOING AND FUTURE SUCCESS.

A student wearing an orange t-shirt and glasses is sitting at a white outdoor table in a lush garden. He is focused on his laptop, with a drink on the table next to him. The background is filled with green trees and plants, creating a serene and academic atmosphere.

ICM

THE PATHWAY TO YOUR DEGREE

The International College of Manitoba (ICM) provides a wide range of pathway programs which are equivalent to the first year of a University of Manitoba degree. ICM's programs and approach to teaching offer students the opportunity to be fully prepared for university studies and have a smooth transition to the University of Manitoba.

Begin your program at the University of Manitoba's Fort Garry campus with qualified instructors, in smaller classes and with longer teaching sessions. Provided you meet the required grade-point average (GPA) for entry, you will be able to transfer directly into the second year of your degree at the University of Manitoba.

UTP Stage II is the equivalent of the first year of a University of Manitoba bachelor's degree program in Arts, Business, Engineering or Science. The program can be completed in three academic terms.*

Upon successful completion of UTP Stage II, if you satisfy university admission requirements and deadlines and achieve the specified minimum GPA, you will be eligible to transfer to the second year of your degree at the University of Manitoba. Admission to some degree programs will be on a competitive basis and subject to quotas.

See page 19-20 for additional entry requirements for the Faculty of Engineering and Asper School of Business.

* The academic year at ICM consists of three terms and each term is 13 weeks long. Terms begin in January, May and September, and students can commence their program in any term.

UNIVERSITY TRANSFER PROGRAM: STAGE I AND STAGE II

ICM offers a University Transfer Program Stage I (UTP Stage I), which is designed as a bridge between secondary school and university-level study. Successful completion of the program with the necessary grades assures you entry to ICM UTP Stage II in Arts, Business, Engineering or Science.

A young man with dark hair and a friendly smile is standing on a university campus. He is wearing a dark blue t-shirt with a red and white Canadian maple leaf design and the text 'UNIVERSITY OF MANITOBA' on it. He has a grey backpack on his shoulders. In the background, there are green trees, a modern building with large windows, and a white bus. The overall scene is bright and sunny.

ICM

YOUR FUTURE AT ICM

As an ICM student at the University of Manitoba, you will:

- have access to university facilities and services including libraries, computer laboratories, recreation facilities, on-campus accommodation, health services and career services
- be part of a diverse student population, with more than 4,000 international students, representing more than 100 countries
- be given academic and personal support to help you reach your goals
- participate in an Interactive Learning Series during your first academic term to help you develop self-directed learning skills
- learn in small classes, with an average of 30-35 students, complemented by small group tutorials and workshops
- experience high standards of teaching, with courses that are delivered by qualified university instructors and are quality assured by the University of Manitoba
- receive great value for your money as ICM's tuition fees are competitively priced among Canadian institutions.

Message from the Interim College Director of ICM

"At ICM, our focus is to help you make the most of the opportunities available to you. In choosing an ICM program, you will be following thousands of other successful students who have achieved their ambitions by joining the University of Manitoba, which is widely recognized as one of the most creative and influential universities in Canada.

Take the first step towards achieving your goals with ICM. We look forward to welcoming and supporting you on your journey to the University of Manitoba."

Mark Peters
Interim College Director

PATHWAYS AT ICM

NAME OF PROGRAM	TYPE OF PROGRAM	PROGRAM DETAILS†
UTP Stage I	Pre-university level	This program is designed for students who require additional academic courses before starting a full university degree equivalent program (UTP Stage II). You will be required to study eight courses over two terms (four courses per term).
UTP Stage II	University level	This program is equivalent to first year of selected University of Manitoba degree programs. You will be required to complete 10 courses (equal to 30 credit hours) with the specified GPA to progress to second year at the University of Manitoba. These programs will normally be completed in three academic terms. If you do not meet the required GPA to transfer to the University of Manitoba, you can continue to study at ICM to improve your GPA.
Mixed program UTP I	Academic English and UTP I (pre-university level)	The first term of this program requires you to study 15 hours of English per week and a maximum of two academic courses. In the second and third terms you will study the remaining UTP Stage I academic courses.
Mixed program UTP II	Academic English and UTP II (university level)	The first term of this program requires you to study 15 hours of English per week and a maximum of two academic courses. In the second and third terms you will study the remaining UTP Stage II academic courses.
The University of Manitoba English language program	Academic English	If you do not meet ICM's minimum English language entry criterion, you may need to attend the University of Manitoba English language program. ICM staff will discuss such arrangements with you as required.

† See pages 23-25 for academic entry requirements and page 26 for English language requirements for each program.

PROGRAMS

CHOOSE YOUR COURSE

“My stay at ICM has given me the opportunity to meet students from different countries, learn about their language, culture and religion. I’ve had awesome experiences with these people. ICM really made me feel like I’m in my own country because there is no discrimination. Everyone is attended to and treated equally. I’ve had a great year at ICM.”

SYLVIA, Nigeria
UTP Stage II: Science

UTP STAGE I

ICM's University Transfer Program Stage I (UTP Stage I) bridges secondary school and undergraduate studies. It consists of eight courses and is designed to adequately prepare you for entry to university level programs in Arts, Business, Engineering or Science. If you successfully complete the program with the necessary GPA, you will be eligible for entry to UTP Stage II, which you may undertake in Arts, Business, Engineering or Science.

Duration - 8 months

COURSES

Choose eight courses from the following options:

- Basic Chemistry
- Basic Physics
- English Skills (Reading)
- English Skills (Writing)
- Foundations of Mathematics
- History of English
- Introduction to Algebra
- Introduction to Business Management
- Introduction to Economics
- Introduction to Mathematics
- World Issues

→ icmanitoba.ca/programs/utp-stage-i

UTP STAGE II: Arts

EMPLOYMENT AND CAREER OPTIONS

An undergraduate program in Arts can lead to career opportunities in communication, business, government, politics, social services, education or public service. An Arts degree allows you to develop skills and a broad knowledge base that can apply to many different careers.

Public Relations Officer:

Average starting salary* C\$30,000

Average salary* C\$47,200

UTP Stage II: Arts is equivalent to the first year of the University of Manitoba's Bachelor of Arts degree. When you progress† to the second year of the degree program, you can choose from many areas in which to specialize, including economics, linguistics, philosophy, psychology and sociology.

Duration - 12 months

AVAILABLE FIRST YEAR COURSES

- Critical Thinking
- Cultural Anthropology
- Economics
- Environment
- Introduction to Psychology
- Introduction to University
- Literary Topics
- Political Studies
- Statistics

SECOND YEAR OF YOUR UNIVERSITY OF MANITOBA DEGREE

Bachelor of Arts

Areas of study:

- Anthropology
- Classical Studies
- Economics
- English
- French
- German and Slavic Studies
- History
- Icelandic Studies
- Italian
- Linguistics
- Native Studies
- Philosophy
- Political Studies
- Psychology
- Religion
- Sociology
- Spanish

Interdisciplinary options:

- Asian Studies
- Canadian Studies
- Catholic Studies
- Central and East European Studies
- Drama
- Film Studies
- Global Political Economy
- History of Art
- International Studies
- Labour Studies
- Latin American Studies
- Medieval and Renaissance Studies
- Theatre
- Ukrainian Canadian Heritage Studies
- Women's Studies

→ icmanitoba.ca/programs/utp-stage-ii-arts

For additional entry information see page 23. * Source: Manitoba Career Planning Guide 2012.

† To progress to second year of the Bachelor of Arts, you must have a GPA of at least 2.0 and satisfy relevant entry requirements, with a minimum 30 credit hours of advanced standing.

UTP STAGE II: Business

EMPLOYMENT AND CAREER OPTIONS

A Business degree can be applied to almost any career, including the financial sector, industry and trade, international commerce, the not-for-profit sector, government, health care and technology. A Business degree provides an all round knowledge base for management careers or starting your own business.

Marketing Manager:

Average starting salary* C\$47,900

Average salary* C\$67,900

UTP Stage II: Business is equivalent to the first year of your undergraduate business studies. Upon completion of the program you will be eligible to progress[†] to the second year of the Bachelor of Commerce (Honours) degree and you will be able to choose from a variety of specializations.

Duration - 12 months

REQUIRED FIRST YEAR COURSES

- Calculus
- English Literature
- Economics
- Statistics

Additional options:

- Agribusiness
- Business Communications
- Marketing
- Algebra
- Critical Thinking
- Political Studies
- Anthropology
- International Business
- Psychology

SECOND YEAR OF YOUR UNIVERSITY OF MANITOBA DEGREE

Bachelor of Commerce (Honours)

Areas of study:

- Aboriginal Business Studies
- Generalist
- Management Information Systems
- Accounting
- Human Resource Management/Industrial Relations
- Management of Organizations
- Actuarial Mathematics
- International Business
- Marketing
- Entrepreneurship/Small Business
- Logistics and Supply Chain Management
- Operational Research/Operations Management
- Finance

Bachelor of Science (Agribusiness):

Areas of study:

- Agribusiness Management
- Agricultural Economics
- International Agribusiness

→ icmanitoba.ca/programs/utp-stage-ii-business

For additional entry information see page 23. * Source: Manitoba Career Planning Guide 2012.

† For entry to the Asper School of Business, you must complete university admission requirements by April of any given year to be considered for admission in September of that year. If you miss the April deadline, you may enrol in more courses at ICM or transfer to the University of Manitoba in order to earn additional credit hours in preparation for the next April deadline. Depending on the courses completed, you will be eligible to transfer up to 60 credit hours to selected degree programs. Details will be provided on an individual basis each term, and you will be advised on selecting courses to maximize your credit transfer entitlements. Admission to second year Asper School departmental programs is competitive and the minimum GPA for entry will vary by year. Admissions is also subject to quotas.

UTP STAGE II: Engineering

EMPLOYMENT AND CAREER OPTIONS

Potential careers in: aerospace engineering, biomedical engineering, hardware engineering, manufacturing, microelectronics, product research and development, robotics, software engineering, systems design, and telecommunications engineering.

Civil Engineer:

Average starting salary* C\$43,100

Average salary* C\$74,600

UTP Stage II: Engineering is equivalent to the first year of the University of Manitoba's Bachelor of Science (Engineering) degree. Upon completion of this program you will be eligible to progress[†] to the second year of the degree program and choose your preferred area of specialization. Options include Biosystems, Civil, Computer, Electrical and Mechanical Engineering.

Duration - 12 months

REQUIRED FIRST YEAR COURSES

- Calculus I and II
- Chemistry
- Computer Science
- Critical Thinking or complimentary Arts elective
- Design Engineering
- Introduction to Electrical and Computing Engineering
- Introduction to Statics
- Literary Topics
- Physics: Mechanics
- Techniques for Classical and Linear Algebra
- Thermal Sciences

SECOND YEAR OF YOUR UNIVERSITY OF MANITOBA DEGREE

Bachelor of Science (Engineering)

Areas of study:

- Biosystems Engineering (Environmental option)
- Civil Engineering (Environmental option)
- Computer Engineering
- Electrical Engineering
- Mechanical Engineering (Aerospace and Manufacturing options)

→ icmanitoba.ca/programs/utp-stage-ii-engineering

*For additional entry information see page 23. * Source: Manitoba Career Planning Guide 2012.*

† For entry to the Faculty of Engineering, you must complete university admission requirements by April of any given year to be considered for admission in September of that same year. If you miss the April deadline, you may enrol in more courses at ICM or register in the Faculty of Science on an interim basis in preparation for the next April deadline. Details will be provided on an individual basis each term, and you will be advised on selecting courses to maximize your credit transfer entitlements. Entrance to Engineering departmental programs is competitive and the minimum GPA required will vary by year and by specific specialization. Admissions is also subject to quotas.

UTP STAGE II: Science

EMPLOYMENT AND CAREER OPTIONS

Career paths for science students are diverse. They include technical opportunities such as working in laboratories or doing research, or in the fields of administration, education, conservation and business.

Geologist, Geochemist and Geophysicist:
Average starting salary* C\$45,800
Average salary* C\$80,100

UTP Stage II: Science is equivalent to the first year of the University of Manitoba's Bachelor of Science degree program. You can specialize in biological, physical, mathematical or computing science, as well as other areas, when you progress* to second year of your degree program.

Duration - 12 months

AVAILABLE FIRST YEAR COURSES

- Algebra
- Biology
- Calculus
- Chemistry
- Computer Science
- Environment
- Human Nutrition
- Introduction to Psychology
- Introduction to University
- Physics: Mechanics
- Statistics

SECOND YEAR OF YOUR UNIVERSITY OF MANITOBA DEGREE

Bachelor of Science

Areas of study:

Biological Sciences

- Biochemistry
- Biology
- Biotechnology
- Botany
- Ecology
- Genetics
- Microbiology

Computing Sciences

- Computer Science
- Computer Science/Mathematics
- Computer Science/Physics and Astronomy Interdisciplinary option

Physical Sciences

- Chemistry

For additional entry information see page 23. * Source: Manitoba Career Planning Guide 2012.

* To progress to second year of the Bachelor of Science program, you must have a GPA of at least 2.0 and satisfy relevant entry requirements, with a minimum 30 credit hours of advanced standing.

OUR COMMUNITY

WELCOMING THE WORLD

Entry into UTP Stage II generally requires the successful completion of Year 12 of secondary school or its equivalent. Entry into UTP Stage I generally requires the successful completion of Year 11 or its equivalent. Specific academic requirements are listed on the following tables.

Not all qualifications are listed, so if you have other qualifications, please send details to admissions@icmanitoba.ca for assessment. If you have completed secondary school, but your results do not allow you to qualify for entry into UTP Stage II, you may be admitted to UTP Stage I. The list of qualifications outlined in the following tables is a guide only. As not all qualifications and countries are listed, students with other credentials are encouraged to apply.

ACADEMIC ENTRY REQUIREMENTS

COUNTRY	UTP STAGE I	UTP STAGE II	UTP STAGE II: ENGINEERING
International Baccalaureate (IB)	IB results with a minimum score of 20	IB results with a minimum score of 22	Average of Level 5 in IB Mathematics, Chemistry and Physics with no grade lower than Level 4
General Certificate of Education (GCE)	GCE O levels with passes in 3 academic subjects	GCE A level results with D passes in 2 academic subjects or GCE AS level results with D passes in 4 academic subjects	GCE A level results with a minimum grade of C in Mathematics, Chemistry and Physics
Australia	Australia Year 11 with an overall passing grade of 50% for all subjects (including English)	Australia Year 12 Certificate in the UAI score with minimum 55%	Australia Year 12 Certificate in the UAI score with an average of 75% in Mathematics, Chemistry and Physics with no grade lower than 70%
Azerbaijan	n/a	Certificate of Complete Secondary Education with a minimum 68% average over 4 academic subjects	Certificate of Complete Secondary Education with an average of 75% in Mathematics, Chemistry and Physics with no grade lower than 70%

ADDITIONAL ENTRY INFORMATION

Mathematics requirements

You must have successfully completed mathematics at a Year 12 level (or equivalent) to enter UTP Stage II in the Arts, Business, Engineering or Science streams. If you do not meet this requirement, you may need to take the UTP Stage I Mathematics course in your first term of enrolment.

Science course requirements

Enrolment in certain UTP Stage II Science classes at ICM is subject to successfully completing Year 12 (or equivalent) in those subjects with a minimum grade. Please consult our website at icmanitoba.ca/apply-today/admission-requirements for more information about Science course requirements.

Additional requirements for UTP Stage II: Engineering

You must have successfully completed physics, chemistry and mathematics (preferably calculus) at a Year 12 level (or equivalent) with a 75 percent average overall and a score of no less than 70 percent for any course.

Mature-age entry

If you are a mature-age student (aged 21 or above), you may be admitted into a program without meeting the formal academic requirements if you have relevant work experience and/or other acceptable qualifications such as secondary school, college or vocational studies results.

→ icmanitoba.ca/admission-requirements

ENGLISH LANGUAGE REQUIREMENTS

The language of instruction at ICM is English. Before being granted admission into an ICM program, you must demonstrate a suitable level of English proficiency. This can be done by obtaining one of the results shown in the table below.

DIRECT ENTRY

If you meet the direct entry English language requirements and the relevant academic requirements for your country, you will be eligible for direct entry to UTP Stage I or UTP Stage II.

MIXED ENTRY

If you meet the mixed entry English language requirements and the relevant academic requirements for your country, you will commence UTP Stage I or UTP Stage II with the addition of one academic English course to be taken during the first term of study.

ENGLISH LANGUAGE QUALIFICATION	DIRECT ENTRY (UTP STAGE I OR UTP STAGE II)	MIXED ENTRY (UTP STAGE I OR UTP STAGE II)
IELTS	5.5 with no band lower than 5.0	5.0 with no band lower than 4.5
TOEFL Computer/Paper/IBT	196/525/69	172/500/60
EIKEN Japan	Pre-1	Eiken 2A
GCE 'O' Levels (First Language English)	C	D
HKDSE	English Level 3	English Level 2
SPM English	C+	C
International Baccalaureate	Standard 5 or Higher 4	Standard 4 or Higher 3

ICM regularly reviews its admission requirements and related English language requirements. Any changes to the requirements will be listed at icmanitoba.ca in the 'Admission & Fees' section. This information is correct at the time of printing. Students submitting TOEFL scores should request that originals be sent to ICM directly quoting Institution Code 6961.

→ icmanitoba.ca/english-language-requirements

ENGLISH LANGUAGE PREPARATION

If you do not meet the minimum English language requirements for your desired program at ICM, you may choose to enrol in one of the University of Manitoba's English language programs to improve your proficiency.

INTENSIVE ACADEMIC ENGLISH PROGRAM

The University of Manitoba's intensive academic English program provides English language training for university-bound international students. Classes are held on the Fort Garry campus so you can enjoy the experience of studying English while having access to all university facilities. Program intakes are offered in January, May and September.

Upon successful completion of the appropriate course at the University of Manitoba's English Language Centre, you will be eligible to enter ICM without any further English tests, either directly into UTP Stage I, UTP Stage II or a mixed entry program. ICM staff can assist you with the application process.

INTENSIVE ENGLISH PROGRAM

The intensive English program helps students improve their English language proficiency while learning about Canadian culture. Classes are offered on a monthly basis. Beginner to advanced level programs are available to meet your needs.

Many cultural activities are also included. Students need to complete the 0500 level English program for Mixed Entry (with minimum C grade in each 0500 level course) at ICM and 0600 level (with a minimum B grade in each 0600 level course) for Direct Entry at ICM.

→ icmanitoba.ca/english-language-requirements

OUR COMMUNITY

STUDENT LIFE ON CAMPUS

WHAT HAPPENS AT ORIENTATION?

- Be introduced to ICM and the University of Manitoba services and facilities
- Meet new friends and ICM staff
- Obtain program information
- Obtain information about how to prepare for academic success
- Obtain information about your medical insurance
- Tour the campus
- Opportunity to revise your online course registration

ICM will support you on your journey with a range of support services and programs to help you achieve your academic potential while also developing personally and maintaining a balanced lifestyle.

STUDY AND LEARNING SUPPORT

At ICM, we understand that the transition to university level study can be difficult for some students. To help you develop the skills necessary to successfully complete your studies, ICM offers a variety of study and learning support services.

Our student advisors, in conjunction with various teaching staff members, run a number of information sessions and workshops for students who want to develop time management skills or examination techniques. Student advisors provide program advising, organize English conversation clubs, and offer a peer tutoring program.

Teaching staff members are also available for individual or group appointments throughout the term, if you need assistance with assignment drafting, researching, structuring, writing and referencing.

PERSONAL SUPPORT

A free and confidential advisory service is available to you in case things do not go as planned or personal problems arise. If anything is preventing you from enjoying your academic, social or personal life, then seeing an ICM advisor is often a good start for resolving issues. ICM students also have access to the University of Manitoba's excellent health and counselling services.

OUR COMMUNITY

“I’m proud to be a part of ICM. It is a great opportunity to learn a lot about cultures and value differences which are not familiar to you. ICM also gave me a chance to develop my interpersonal skills as well as provide me with multiple volunteer opportunities which were an excellent experience.”

ANASTASIIA, Ukraine
UTP Stage II: Business

TRANSITION TO THE UNIVERSITY OF MANITOBA

ICM organizes special information sessions for students who are due to complete UTP Stage II and transfer to the University of Manitoba. These sessions provide advice about second-year programs, the program structure and application process for your chosen degree.

You will also attend interactive sessions lead by ICM alumni who share tips on how to successfully transition to the University of Manitoba.

ORIENTATION

ICM also organizes workshops, activities and events during the 'Weeks of Welcome' to help you get the information you need to get off to a great start. Students registered for University of Manitoba on-campus accommodation are also encouraged to participate in the University of Manitoba accommodation orientation.

CAMPUS SECURITY

Security is provided 24 hours a day on all University of Manitoba campuses to ensure a safe and secure environment in which to live and study at the University of Manitoba. Security staff can answer enquiries and arrange an escort to take you to your vehicle or on-campus accommodation, particularly on weekends or after dark.

STUDENT ACTIVITIES

ICM co-ordinates regular activities and social events that give you opportunities to enjoy all that the city and campus have to offer. Being involved in nonacademic, extracurricular activities while studying at ICM will help you develop a network of friends and broaden your outlook and skills.

SCHOLARSHIPS AND BURSARIES

SUSAN DEANE MEMORIAL SCHOLARSHIP

In honour of ICM's first College Director and Principal, Susan Deane, and her significant contributions to both ICM and the education sector more broadly in Manitoba, the Susan Deane Memorial Scholarship program was established. One \$5,500 scholarship is awarded each semester to a selected student who has successfully completed the University Transfer Program Stage II in that semester, and who is progressing to the University of Manitoba in the following semester. The student is chosen by a selection committee based on cumulative GPA and contributions to ICM and the community.

ACADEMIC MERIT SCHOLARSHIPS

Navitas is committed to helping you achieve your career goals by offering scholarships to outstanding students.

Each term, Navitas colleges* award two students with academic merit scholarships.

For more information, talk to an Advisor at your college about how to apply for a merit scholarship or visit individual college websites and search for 'scholarships and bursaries'.

→ icmanitoba.ca/scholarships

FAMILY BURSARIES

Navitas offers financial support in the form of family bursaries. A bursary applies where two or more students from the same family study with a Navitas member institution.*

The bursary is equivalent to 10 percent of the tuition fee of your program of study.†

* The Navitas family bursary and academic merit scholarships are offered to students studying at ACBT, AUSI, BCUIIC, Curtin College, Curtin Singapore, CRIC, Deakin College, EIBT, EIC, Eynesbury, FIC, HIC, ICM, ICP, ICRGU, ICWS, La Trobe Melbourne, La Trobe University Sydney Campus, LBIC, Navitas at FAU, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at WKU, Navitas at UNH, NIC, PIBT, PUIC, QIBT, SAIBT, SIBT and UCIC only.

† Certificate programs may also be known or registered as Foundation Studies or University Transfer Program Stage I. Diploma programs may also be known or registered as Undergraduate Pathway, University Transfer Program (UTP), University Transfer Program Stage II or University Pathways Program (UPP).

The Navitas bursary is not applicable to any English language program or any component of an English language program offered by a Navitas member institution.

This information is correct as at the time of printing and may be subject to change without notice or at the discretion of Navitas member institutions or Navitas Limited.

LIVE HERE, SAVE HERE

Choosing to live and study in Winnipeg is a good decision. You will have access to all the amenities of a big city while being able to afford a great lifestyle, as Winnipeg continues to have steady economic growth, low unemployment rates and low costs of living. As a student, reasonable tuition fees and affordable living costs are very important and can affect your overall success while studying away from home.

TUITION TAX REBATE

When you graduate from the University of Manitoba, you will be ready to start your career and Manitoba offers an unbeatable mix of opportunity and lifestyle. As well, the Government of Manitoba offers the Manitoba Tuition Fee Income Tax Rebate, which will provide you with up to a 60 percent rebate on all your eligible tuition fees (up to a maximum of C\$25,000). You must live and work in Manitoba to receive the tax rebate. Visit gov.mb.ca/tuitionrebate/index.

YOUR LIVING EXPENSES

In addition to your tuition fees, you will need approximately C\$12,000 to meet your living expenses each year.

This includes accommodation, food, utilities, transport, textbooks, recreation and entertainment. These costs will vary according to your individual requirements, and do not include major expenses such as buying a car, television, stereo or computer.

MEDICAL INSURANCE

All international students studying in Manitoba are covered under the Manitoba Provincial Health Plan. Coverage begins from point of entry in Canada en route to Manitoba and on presentation of a valid Study Permit and Letter of Acceptance from ICM. Students are required to collect their Health Care Cards from Manitoba Health as soon as possible after they arrive in Winnipeg.

YOUR INVESTMENT

FEES AND CHARGES FOR 2016 ACADEMIC YEAR

PROGRAM	NORMAL DURATION	TOTAL PROGRAM FEES
English language program		
Mixed program (English component only)	1 term	C\$4,388 (plus additional costs on a per-course basis)
Pre-university level program		
UTP Stage I	2 terms	C\$14,860
University level programs		
UTP Stage II: Arts	3 terms	C\$15,323*
UTP Stage II: Business	3 terms	C\$15,323*
UTP Stage II: Engineering	3 terms	C\$15,323*
UTP Stage II: Science	3 terms	C\$15,323*

* UTP Stage II program fees are based on 30 credits of study at C\$510.77 per credit. Students taking more than 30 credits of study will need to pay additional fees. Fees and charges are listed in Canadian dollars (C\$) and are subject to change without notice. Actual tuition costs may vary, depending on your choice of courses. Where applicable, the fees listed do not include Goods and Services Tax (GST).

34

2017	May	4 May	19 August
2017	September	31 August	16 December

Dates are current at time of printing, but are subject to change without notice.

CONDITIONS OF ENROLMENT

YOUR CONTRACT WITH THE INTERNATIONAL COLLEGE OF MANITOBA (ICM)

Upon accepting the enrolment offer from ICM, the student has initiated a contract with ICM and is bound by the following declaration:

1. "I hereby accept and promise to observe the statutes, rules and regulations and ordinances (including, if any, bylaws, codes and policies) of ICM, and of the program in which I am registered, and to any amendments thereto which may be made while I am a student of ICM."
2. The student is expected to regularly attend all their classes (including lectures, tutorials, seminars etc.) and to carry out all assigned evaluations (assignments, projects, examinations etc.). ICM is not responsible for the consequences that flow from the student neglecting their academic work and assignments. Students who are unavoidably absent because of illness or disability should report to their instructors and ICM as soon as possible. Any request for an academic concession must be clearly expressed.
3. ICM may, by written notice, vary the conditions of enrolment as may be necessary to comply with any law, regulation or amendment thereof, of Canada or the Province of Manitoba. Any such variance will bind ICM and the student upon reasonable notice being given by ICM to the ICM student population at large—specific notice to the student is not required.
4. ICM reserves the right to withdraw a program(s) or course(s) from offer, at its discretion, at any time and without prior notice. Upon being notified of the withdrawal of a program in which a student is enrolled, the student will be given the option of completing the program on a full-time enrolment basis, being transferred to another program within ICM for which the student is eligible or obtaining a refund in accordance with the Fee Refund Policy set out below (note: a cancellation fee may be applied). Upon being notified of the withdrawal of a course in which the student is enrolled, the student will be given the option of transferring into another course in the student's program or obtaining a refund of tuition, fees and charges paid in respect of that course in accordance with the Fee Refund Policy set out below (note: a cancellation fee may be applied).
5. The contract between the student and ICM is governed by the laws of the Province of Manitoba.

TUITION, FEES AND CHARGES

1. Applicable tuition, fees and charges are as set out in the Tuition Fees section of the ICM website (icmanitoba.ca). ICM reserves the right to vary its tuition, fees and charges at any time and such changes are effective immediately, unless otherwise expressly indicated. For greater certainty, if the tuition, fees and charges for a student's program increase partway through the student's program, the revised tuition, fees and charges apply throughout the remainder of the student's program.
2. All tuition, fees and charges for each academic term are due and payable on the term start date, which is listed on the ICM website (icmanitoba.ca), unless otherwise indicated. Students will not be permitted to commence or continue their program at the beginning of any term until all outstanding tuition, fees, charges and accounts, including any outstanding amounts from prior semesters, are paid.
3. Tuition, fees and charges for each program include the courses described in this brochure.
4. Where a student enrolls in more courses than are required to complete their program, the student will pay the tuition, fees and charges for their program, plus the current per-course fee for each additional course undertaken.
5. Where a student enrolls in fewer courses than are considered a full course load (defined as four courses per term), the tuition, fees and charges for the program payable in that term will be reduced

accordingly, it being understood that the total tuition, fees and charges for the program are not reduced, but will be paid over the time it takes for the student to complete the program.

6. If a student wishes or is required to repeat a course, the student shall pay the tuition, fees and charges applicable for that course, prior to commencing the course, in addition to any other tuition, fees and charges applicable to the student's program.
7. Any overpayment of tuition, fees or charges will remain credited towards a student's account and applied against tuition, fees and charges in the following academic term(s).
8. Subject to rules set out in the Fee Refund Policy below, refunds are only given once the policy is applied and if there is a credit in the tuition account.

STUDY PERMITS

1. International students may be required by Canadian law to obtain a study permit in order to study in Canada. It is each student's responsibility to obtain and maintain all required authorizations to study in Canada. For specific information on student permits, go to Citizenship and Immigration Canada (cic.gc.ca/english/study/index.asp).
2. Study permits are governed by Citizenship and Immigration Canada's rules. Usually, study permits are issued for the duration of the program. Students must apply to Citizenship and Immigration Canada for a new study permit before their current study permit expires. ICM staff can assist students wishing to extend their study permit, but it is the student's responsibility to apply to Citizenship and Immigration Canada and to comply with its rules.
3. All international students studying in Manitoba will be covered under the Manitoba Provincial Health Plan. Coverage begins from point of entry in Canada en route to Manitoba and on presentation of a valid Study Permit and Letter of Acceptance from ICM. Students are required to collect their Health Care Cards from Manitoba Health as soon as practicable after they arrive in Winnipeg.

ACADEMIC AND ENGLISH LANGUAGE REQUIREMENTS

4. Students must meet the minimum academic and English language requirements for entry to their chosen program (see the entrance requirements of icmanitoba.ca for the current requirements). Students must provide original or certified transcripts and the results of their English language assessments to ICM, together with their application for enrolment. If the results reveal insufficient academic and/or English language skills, as determined in reference to the entrance requirements section of the ICM website, ICM will at its sole option, do one of the following:
 - Admit the student into their chosen program, but require that the student enrol and achieve a certain grade in one or more academic or English language course in the first academic term of their program. The student shall pay tuition, fees and charges for each additional course(s). If the student fails to achieve the required grade in the additional course(s), ICM may, in its sole discretion, refuse the student access to the remaining courses in the program until such time as the student can demonstrate that they meet the minimum requirements for their chosen program.
 - Deny the student admission to their chosen program, and give the student the option to enrol in an intensive English language program or other programs at ICM. The student may wish to apply to another institution in order to pursue additional studies. In either case, upon completing these program(s) and demonstrating to ICM that the student now meets the minimum requirements for entry to their chosen program, the student may again apply for admission to their chosen program.

DEFERRAL PRIOR TO COMMENCING STUDIES

1. Deferral requests must be made in writing.
2. Once a student is accepted into their chosen program, the student may defer their program start date by a maximum of two terms.
3. If the student advises ICM that they wish to defer their program start date a third time, the student's acceptance to ICM will be terminated and the student will need to re-apply to ICM when they are ready to commence studies at ICM. For greater certainty, the eligibility requirements and tuition, fee and charge rates in effect at the time of the re-application will apply to the student.
4. If a student defers their program start date, ICM will hold the tuition, fees and charges paid until the student commences their program, without interest or penalty.
5. If the student withdraws without commencing their program or has their enrolment terminated in the manner described in paragraph 3 of this section, the Fee Refund Policy will apply.

DEFERRAL AFTER COMMENCING STUDIES

1. Students in the first academic term of their program may not defer their program after the commencement of the term.
2. Once a continuing student has completed at least one term at ICM, they may defer their program if they make a deferral request within the first four weeks of the term. In this case, ICM will hold the tuition, fees and charges paid by the student, without interest or penalty, and apply all such amounts to the next term.
3. If the student subsequently withdraws from ICM, the Fee Refund Policy will be applied retroactive to the original semester of entry.
4. If the student applies to defer their program after the fourth week of the term, the deferral request will be granted but all tuition, fees and charges for that term will be forfeited to ICM, except if the deferral request arises due to illness or compassionate reasons.
5. For details of the academic consequences of withdrawing from a program after commencing studies, follow the link to ICM's Withdrawal Policy under 'Enrolment' at policy.icmanitoba.ca.

CANCELLATION AND WITHDRAWAL

1. The student may, at any time, cancel their enrolment at ICM. In all cases, the Fee Refund Policy will apply.
2. The student may, at any time, withdraw from a program. In all cases, the Fee Refund Policy will apply.
3. In all cases, if the student intends to cancel their enrolment or withdraw from a program, the student must notify ICM in writing.
4. For details of the academic consequences of withdrawing from a program after commencing studies, follow the link to ICM's Withdrawal Policy under 'Enrolment' at policy.icmanitoba.ca.

FEE REFUND POLICY

1. For the purposes of this Fee Refund Policy, tuition, fees and charges are defined in terms of one full-time term of study (four courses) in any program at ICM.
2. Students may dispute ICM's decision regarding a refund by submitting a written request for reconsideration, together with details supporting their request, to the ICM College Director. This process does not restrict the student's right to pursue other legal remedies.
3. In cases of the cancellation of enrolment or withdrawal from a program or course, the cancellation fee, administration charge, if relevant, and the refund of tuition, fees and charges, is calculated as shown in the table below.
4. In cases of deferrals, the tuition, fees and charges paid by the student will be retained by ICM, without interest or penalty, until the student recommences their studies or withdraws from ICM.
5. If the student withdraws from ICM after having deferred, the Fee Refund Policy will apply as at the date ICM was advised of the student's deferral.
6. Where a study permit:
 - is refused to the student after enrolment; or
 - is not, for any reason, extended by Citizenship and Immigration Canada;

ICM will retain the cancellation fee set out in the table below for 'study permit refusal' and refund the balance of the tuition, fees and charges paid by the student.

7. A student whose enrolment is terminated by ICM due to a breach of the terms and conditions of the contract between the student and ICM, including, without limitation, the rules, regulations and policies of ICM, will not be entitled to any refund of any tuition, fees and charges.
8. As set out elsewhere in these conditions of enrolment, ICM reserves the right to withdraw a program or course(s) from offer. If, as a result, a student is unable to enrol in a similar program or course(s) at ICM and the student wishes to cancel their enrolment, all tuition, fees and charges will be refunded, with the exception of a C\$500 administration fee.
9. All refunds applied for under this Fee Refund Policy will be paid within four weeks of receiving a written claim from the student in a form and containing such information as is reasonably required by the ICM College Director.

NOTIFICATION	CANCELLATION FEE
Study permit refusal (proof of refusal necessary; for example, letter of rejection from Canadian Embassy)	C\$325
Notification of withdrawal received prior to or on commencement of classes in any term (commencement of classes will be the day of orientation)	
More than 10 weeks	20% of term fees* (+ a C\$500 administration fee)
10 weeks or less	50% of term fees* (+ a C\$500 administration fee)
On or after commencement of classes	No refund
Withdrawal from a program in the first term	
Prior to commencement of second semester	100% of program fee
Withdrawal from single course	
Weeks 1–4	No penalty. Funds remain with ICM and are credited against enrolment in a subsequent term. Fees are forfeited if the student does not re-enrol in a subsequent term.
Weeks 5–14	No refund

* Term fees = 4 courses.

Please note: The cancellation fees listed above refer only to ICM tuition, fees and charges. For cancellation fees relating to airport reception or homestay placement, please contact the relevant third party.

→ icmanitoba.ca/conditions-of-enrolment

FURTHER INFORMATION ONLINE

POLICIES AND PROCEDURES:

→ icmanitoba.ca/policies-and-procedures

ICM has a number of policies and procedures in place to comply with quality, regulatory and legislative requirements. These processes form a framework to ensure that ICM delivers a high quality service to its students. Important policies include:

- Privacy Act
- Code of conduct
- Access and equity
- Grievance, complaints and appeals
- Academic performance

INTERNATIONAL STUDENT VISAS:

→ cic.gc.ca/english/study/index.asp

All international students must possess a current student visa while they are studying in Canada. This information does not apply to prospective students who are Canadians citizens or permanent residents of Canada. Visit the CIC website for answers to these and more visa FAQs:

- How do I apply?
- What are the visa requirements?
- How long is my visa valid for?
- How do I renew my visa?
- What if I have dependents?

ACCOMMODATION OPTIONS:

→ icmanitoba.ca/students/accommodation

As an ICM student, you will have access to a range of accommodation options, one of which is sure to meet your needs. These options include:

- The University of Manitoba on-campus accommodation
- Homestay options
- Private off-campus accommodation

OUR COMMUNITY

"To study at ICM was the best decision I have ever made. After coming here I have gained confidence with the support of a family like ICM. I now have friends from all around the world which has really helped me to develop my communication skills. I thank ICM for creating such an opportunity for students like me to study here and fulfill my dreams."
