* Recommended first year elective at ICM. U of M accepts this course as a free elective. Students will be required to take AGRI 2030 in 2nd year studies to fulfill their W course requirement.

** Recommended first year elective at ICM. U of M accepts this course as a free elective. For Human Nutritional Sciences, students are required to take HNSC 2000 to fulfill their W course requirement.

Faculty of Agricultural & Food Sciences Intakes (Fall and Winter* Terms)

- Agribusiness
- Agriculture (Agronomy, Animal Systems, Plant Biotechnology)
- Agroecology
- Food Sciences
- Human Nutritional Sciences

* Winter intake only if spaces are not taken up during the initial fall intake

GPA Admission Requirements for Advanced Entry:

Students must:

- Complete a minimum of 24 credit hours by the end of April, with 30 unique credit hours completed by the end of August of the application year. Students who need to complete courses during the Summer Session for the fall intake, and Fall Term for winter intake to meet the minimum credit hour requirement will only be considered for admission on a space available basis after all other eligible students have been considered.
- Achieve an Adjusted Grade Point Average (AGPA) of 2.0 or higher (see Admissions Bulletin)
 - If the number of eligible candidates exceeds the available spaces, an adjusted grade point average higher than the minimum may be required for admission.

Calculation of the Adjusted Grade Point Average (AGPA): All university degree level course work, including repeats, will be included in the calculation of the Adjusted Grade Point Average (AGPA). An AGPA is calculated by excluding the lowest credit hours of university level course work in accordance with the following table:

Number of credit hours completed	Number of credit hours dropped
0 – 29	0
30 – 59	6
60 +	12

Admissions Bulletin:

Degree Requirement Sheets and Recommended Progressions:

<http://umanitoba.ca/faculties/afs/student/advising.html>

In addition to meeting with ICM Student Advisors, the **Faculty of Agricultural and Food Sciences Academic Advisors** are available to meet at **160 Agricultural Building**.

It is the student's responsibility to check the University of Manitoba Applicant Information Bulletin for the relevant Faculty to obtain official information. In the event of a discrepancy between the Planning Sheets and the information in the University of Manitoba General Calendar, the General Calendar will prevail.
